What a Difference a Day Makes

The attacks of September 11, 2001, forever changed the city of New York, the nation, and the world at large. For Cantor Fitzgerald, the impact was especially devastating with 658 of our friends and colleagues among the thousands who perished that morning. Every anniversary is a way for us to honor their memories through the Cantor Fitzgerald Relief Fund and by helping others we turn that tragic day into one that is positive and uplifting.

While grieving the loss of his brother, Gary Lutnick, Cantor Fitzgerald CEO & Chairman, Howard W. Lutnick, marshalled the resources of the firm, and along with his wife Allison and sister Edie, set out to triumph over one of the worst events in modern history. Within hours of the attack they began addressing the critical needs of the Cantor families, from creating a makeshift command center, to arranging grief counselors, helping with funeral arrangements and expediting death certificates for insurance policies.

Facing the almost unimaginable, Howard and the other survivors vowed to persevere and rebuild the firm. While the logistics of reopening the New York operations were being strategized, work shifted to the firm’s London offices. To provide for the victims’ families remained a central mission and with a deep commitment to “taking care of our own”, Cantor Fitzgerald made a promise of financial support to each family, pledging a percentage of the company’s profits for five years, and 10 years of health-care coverage.

“I am going to take a day that was horrific and turn it around into something positive going forward.”
Howard W. Lutnick, CEO & Chairman Cantor Fitzgerald

Establishing the Cantor Fitzgerald Relief Fund

On September 14, 2001, less than 72 hours after the Twin Towers were destroyed, Howard established the Cantor Fitzgerald Relief Fund with a $1 million personal donation. Edie Lutnick spearheaded the initiative, designated to help the 9/11 families. Since then, the fund has grown and expanded into the longest lasting and most effective charity initiated in response to 9/11. It has raised and distributed approximately $320 million to victims of terrorism, natural disasters and emergencies, direct service charities and wounded members of our military.

Launching a Remarkable Day

A year later, on September 11, 2002, Cantor Fitzgerald introduced Charity Day, an annual event designed to turn the memory of a tragic day into a remarkable one of generosity and care. Every year, Cantor Fitzgerald employees donate their day’s commission—and the firm, joined by affiliates BGC Partners and GFI Group, donates 100% of the day’s revenues to the Cantor Fitzgerald Relief Fund. Celebrities further drive the fundraising, making trades from the New York City and London offices. Charity Day alone has raised more than $147 million in the 16 years since its inception.

“We learned in the wake of 9/11,” explains Edie Lutnick, President of the Cantor Fitzgerald Relief Fund, “that families are the best positioned to take care of their own needs. And so our mission of delivering aid directly to those in despair goes on, with a clear memory of our own dark days, and a driving desire to bring light, comfort and financial assistance to all we can.”

Our thanks to all who help make Charity Day such a success each year. Together, we’re doing a world of good.
Charity Day was held on Monday, September 11, 2017. Since inception, it has raised approximately $147 million for hundreds of charitable causes globally.

Each year, BGC Partners and our affiliate, Cantor Fitzgerald, in conjunction with the Cantor Fitzgerald Relief Fund, commemorate the 658 Cantor and 61 Eurobrokers employees lost in the 9/11 World Trade Center attacks by donating all of the day’s revenues to worthy causes around the world.

The Cantor Fitzgerald Relief Fund was founded in the wake of the September 11, 2001, terrorist attacks on the Twin Towers. Initially created to assist family members of Cantor Fitzgerald employees, the Cantor Fitzgerald Relief Fund has expanded its mission to provide aid to victims of terrorism, natural disasters, emergencies, direct service charities and wounded members of our military. Since its inception, the Cantor Fitzgerald Relief Fund has raised and distributed approximately $320 million.

Each anniversary is a poignant occasion for us. By supporting hundreds of charities around the world, we aim to turn a tragic anniversary into a positive and uplifting day. We would like to thank our clients, partners, and employees for their continued hard work and generosity for which we are exceptionally grateful. We would also like to extend our utmost appreciation to all of our celebrity guests who benevolently donated their time to make Charity Day such a remarkable success.

Sincerely,

BGC PARTNERS AND OUR AFFILIATE, CANTOR FITZGERALD, RAISED APPROXIMATELY $10 MILLION ON CHARITY DAY 2017 TO SUPPORT CHARITIES AROUND THE WORLD.
